John Lennon

He was born in 1940 in Liverpool. His full name is John Winston Lennon. He was a well known musician, singer-songwriter and writer. He *founded* The Beatles together with his friend Paul Mc Cartney. George Harrison played the guitar and Stuart Sutcliffe was a bassist (he was replaced by Ringo Starr – a drummer).

John married Cynthia Powell in 1962 and had a son. But he *divorced* her in 1967 and married a Japanese artist Yoko Ono in 1969.

They lived in NY and he was killed there in 1980 by Mark Chapman.

Lennon's best songs: Help!, Imagine, Give Peace a Chance.
