a) It is quite cold. The days *become longer**. Sometimes it is cloudy and rainy but it is *usually** sunny. It can snow, too. The flowers and the trees start *to bloom**. I wear an anorak or a sweatshirt, trousers or jeans, a T- shirt and trainers or boots. I can ride the bike, ski in the mountains, play football or go out with my friends. We celebrate Easter in this season.

.....

**become longer – se prodlužují, usually – obvykle, to bloom- kvést*

b) I love this season when it is snowing. The days are short and nights are long. The weather is cold. It is sometimes raining and sometimes snowing. We can make snowmen, ski and sledge or have snowball *battles. We wear warm clothes - warm *underwear**, a sweater, an anorak or a *fur coat**, tights, warm trousers, boots, *mittens or gloves** and caps on our heads. Christmas time is coming.**

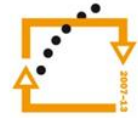

.....

**battles – bitvy, underwear – spodní prádlo, fur coat – kožich, mittens or gloves – palčáky nebo rukavice*

c) The days are shorter and nights are longer. It is usually windy and rainy. Don't forget sour umbrella at home. 😊 The school year starts in the first month of this season. It *is getting cold. When the sun is shining it can be warm. Children fly the kites after school or at the weekend. I stay at home and read books in rainy days. People must wear sweaters, raincoats, coats, shoes or boots. It's the time of Halloween, too.**

.....

**is getting cold – ochlazuje se*

d) The weather is very nice. It is sunny, hot and sometimes stormy. There can be a rainbow in the sky, when it's raining and the sun is shining *together**. Children have got school holiday. We can swim, *sunbathe**, do many sports and play games outside and travel, of course. We wear *light clothes** like T-shirts, shorts, skirts and sandals. The days are very long and the nights very short.
